

MYRIAD[™]
FOR ALL SPACES

ra ergonomics

FastAction Articulating Arm includes easy-to-use height and tilt adjustments with gauge.

Myriad[™] is the only product with a quick-connect hook and slot system. One thumbscrew needed to lock the tray and articulating arm together.

Multiple slots for centered or off-center installation.

Hook and slot system provides a quick and strong connection.

 **FREE FREIGHT**_{on all}
ra ergonomics

Myriad's[™] quick connect system cuts installation time up to 40%.

Myriad™ Features

Myriad™ keyboard trays are made of steel for long-lasting strength and powder-coated with a rich, wrinkle finish for added durability. A raised lip keeps your keyboard and mouse in place and a contoured palm support is standard for the keyboard. Available with or without mouse tray.

Myriad™ keyboard trays are designed to retrofit virtually any existing articulating arm, when used with our hook and slot adapter plate.

Options:

- 106GKPS gel keyboard palm support
- 106GMPSMT gel mouse palm support
- 103MPSMT standard mouse palm support

Myriad™ Tray Finishes

Black is standard color. For Graphite ADD: /G after model number.

*Optional NaturalFit Palm support for the Microsoft® Natural or Natural Elite keyboard also available. Add 101 to end of model number.
