RightAngle™ Products Announces Facility Expansion

Schofield, WI. — RightAngle™ Products, manufacturers of ergonomic products and furniture for the workplace and beyond, is announcing a manufacturing facility expansion. With the release of the NewHeights™ Series 4; our latest evolution in height adjustable workstations, more manufacturing capability is needed to handle rapid growth.

The NewHeights™ Series 4 include the **Elegante XT** with expanded height range, **Eficiente LT** available for a great value, **Arriba** gas lift workstation, **Levante** with uniquely fast travel speed and **Vuelta** crank height adjustable workstation.

The addition of almost 30,000 square feet will double manufacturing space for a total of nearly 60,000 square feet, and bring an additional 10 -15 employees. RightAngle™ will offer a full complement of customer support as well as increased manufacturing and warehouse capabilities. On site product development, customer service, and engineering staff will be available to immediately meet customer needs.

Construction on the facility expansion is scheduled to begin in September, with principle construction being completed by the middle of December. Updates regarding the expansion project will be posted on the RightAngle™ website.

“As a company that is continually innovating and introducing new product initiatives, RightAngle™ is anticipating increased order demands. We need a facility that will grow with its environment and provide a more efficient platform for new product development. The facility will allow us to expand with additional capacity, performance and features to easily handle growth as it comes along,” says Bill Knighton, President and co-founder of RightAngle™ Products.

RightAngle™ has developed products for over twenty-five years utilizing the highest standards of design, engineering and production practices. Included in the product line are; NewHeights™ height adjustable workstations, R-Style™ office furniture, and a complete line of RightAngle™ ergonomic accessories.

RightAngle’s™ facility is located at 6703 Zinser Street, Schofield, WI 54476. For more information visit the company website at raproducts.com, contact customer service at 800.298.4351 or info@raproducts.com.
