

Bonita ET

Ten Reasons why you'll L♥VE Bonita

- 1. Prices as Low as \$1,145** (base only). We strive to produce the highest quality and affordable products for our customers.
- 2. Height Range: 27" - 47"**. Quiet lift with virtually no sound and standard up/down button control which can be soft programmed with container stops.
- 3. Lifting Capacity: 250 pounds** utilizing German gears and Austrian controls with a superior glide system.
- 4. Height Adjustment: 1.5 inches per second.** Plus our smart load protection technology senses overloading and will shut down the system to avoid damage to the desk.
- 5. Stability** – We utilize a lower cross support to create one of the most stable height adjustable tables not normally found. **NO WOBBLE.**
- 6. Contemporary Style** – a clean look with an attractive silver or black base finish available with ten LPL laminate worksurface options.
- 7. Sustainable** – low power consumption which means less emissions and power used.
- 8. 4EVERedge™ Edge Banding** – State-of-the-art hot air technology features virtually invisible edge banding. Available in Hardrock Maple, Cherry and White.
- 9. Built to Last – Built in the USA.** RightAngle Products utilize the highest standards of design, engineering and production practices.
- 10. Warranty:** ten years - support brackets, columns and feet; five years - gears and/or motors, electrical components.

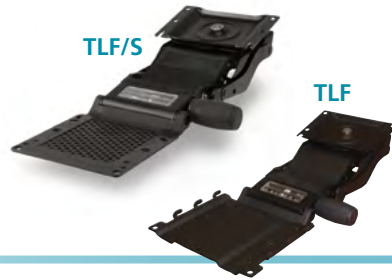

Bonita
